THE PROCON NOTTINGHAMSHIRE PATRONS 2024

THE PANEL

Andrew Botham, Managing Director – Botham Accounting

Andrew Botham is a Chartered Accountant and Chartered Tax Adviser who has dedicated most of his career to the Property and Construction Sector. In 2009 he founded Botham Accounting Limited to offer specialist accounting and tax services to the sector. The business has now grown to a team of 36. Andrew's particular areas of interest are tax planning and structuring of development and investment projects.

Anthony Everitt, Head of Funding Solutions – Willmott Dixon and Director – ADE Regeneration

Anthony Everitt is a seasoned professional with over 20 years of experience in urban regeneration and economic development. He currently serves as the Head of Funding Solutions at Willmott Dixon, where he specializes in developing business cases and sourcing funding for local authorities, including securing levelling up grants¹. Anthony's expertise has been instrumental in helping communities across the UK to initiate and complete projects that drive local prosperity.

In addition to his role at Willmott Dixon, Anthony is also the Director of ADE Regeneration. His academic background in economics and urban regeneration underpins his successful track record in delivering impactful regeneration projects². Anthony's dual roles enable him to leverage a comprehensive understanding of both funding mechanisms and practical implementation, making him a key asset in any urban regeneration initiative.

James Garner, Senior Director, Global Head of Data, Insights and Analytics – Gleeds

James, an accomplished data leader in the construction industry, began his journey as a Quantity Surveyor in 2000. After earning a first-class honours degree, he wrote his university dissertation on data and digitalisation in the construction sector. Throughout his career, James has worked on prestigious projects, including buildings for Imperial College and various Oxford University Colleges.

Today, James leads Gleeds' Global Data, Insights, and Analytics department. With a focus on business intelligence, project intelligence, data literacy, and data maturity, he utilises his expertise in both Quantity Surveying and data analytics to drive the industry's digital transformation. As a Fellow of the RICS, a qualified Data Analyst, and an influential data leader, James recognises the crucial role data and analytics play in informing strategies and decision-making processes within the profession.

Nick Grace, Partner – GraceMachin Planning & Property

Nick Grace is a Chartered Town Planner with circa 28 years post qualification experience. 3 years working for a local authority, 14 years working in private practice and 11 years as a Partner at GraceMachin Planning & Property based in Nottingham. Nick has been involved with all aspects of the planning process across all sectors. The majority of his work has been focused on the East Midlands over the past 21 years. Nick remains very much focused on delivering commercially astute and practical planning advice in an ever changing and evolving development process.

Victoria Green, Co-owner, Lead, Heritage Regeneration, Lettings & Design – Spenbeck

Victoria co-owns and manages multi-award-winning, second-generation property development company Spenbeck, specialists in providing sustainable, eco-heritage offices within Grade II Listed former lace warehouses in Nottingham's Lace Market. As Lead on Heritage Regeneration, Lettings & Design, and a member of Nottingham's Heritage Panel for over 20 years, Victoria has been at the forefront of developing Spenbeck's 50,000ft² portfolio, with heritage regeneration the company's focus. She now uses her experience and expertise in heritage and interior design to support SMEs to invest in their people and places to optimise their environments, enabling them to flourish.

Matthew Hannah, Managing Director – Innes England

Matt is Managing Director of Innes England, a multi-disciplinary practice of Commercial Surveyors with offices across the Midlands in Birmingham, Derby, Leicester, and Nottingham. Matt is a former Chair of the Midlands Investment Property Forum and remains on the Board. Matt specialises in Agency with particular focus on Investment, Retail, Roadside, and the Motor markets.

The Business has five key service lines Professional Services (inc Valuations), Building Surveying, Investment, Agency and Property Asset Management. With over 35 years in the cut and thrust of the market Matt is looking forward to his second time on Question Time.
